

Glancaster Green Farms Seedling List 2020

For orders please email: glancastergreen@gmail.com

Four Inch Pots (\$3):

Tomatoes	Blueberry: Cherry tomato produces clusters of dark purple and golden fruit.
	Gold Rush: ¼ inch tomatoes, golden yellow grows in clusters.
	Abu Rawan: Sweet bright red 2-4oz fruit. From Iraq, tolerates heat.
	Indigo Apple: Medium sized fruit turns red when ripe, with purple streaks.
	Cream Sausage: Long cylindrical ivory yellow. Sweet and juicy.
	Dark Galaxy: Medium sized fruit with mottled skin. Low acid sweetness.
	Rebekah Allen: Pink slicer tomato. Appears to have some disease resistance.
	Reisetomate: Looks like a bunch of cherry tomatoes bunched together. Can peel into sections and eat.
Peppers	Cayenne: Moderately hot chili pepper.
	Espelette: French chili pepper, mildly hot.
	Pepperoncini: Hot chili pepper, good for pickling.
Other	Leek
	Black King Eggplant: Good yields of 7" long oval shaped black eggplant.
	Butternut Lettuce: Bibb type lettuce forms a tight little rosette of dark green leaves.
	Flowering Kale: White, pink, or white crane.

Herbs	Cinnamonette Basil
	Catnip
	Nicotiana: Flowering tobacco.
	Horehound: Medicinal herb used for digestion problems and also lung and breathing problems.
	Lemon Balm
	Catgrass

Ten Inch Pot (\$10):

Planters	Lettuce Planter: Red salad bowl lettuce, green salad bowl lettuce, calendula and nasturtium.
	Herb Planter: Cilantro, basil, chives, and thyme.
